

November 3, 2020

Pursuant to the Freedom of Information Act (FOIA), as amended, 5 U.S.C. §§ 552, et seq., The Lubrizol Corporation requests the following information from the Office of Pesticide Programs:

Copies of the complete data reviews conducted on the following waiver requests:

MRID 49762101: Hauswirth, J.W. (2015) Tetraacetythylenediamine (TAED): Waiver Request for a Reproduction and Fertility Study. Project Number: WARWICK/2015/01. Unpublished study prepared by Warwick International Group, Ltd. 15p.

MRID 49762102: Hauswirth, J.W. (2015) Tetraacetythylenediamine (TAED): Waiver Request for a Rabbit Developmental Toxicity Study. Project Number: WARWICK/2015/02. Unpublished study prepared by Warwick International Group, Ltd. 16p.

MRID 49762103: Hauswirth, J.W. (2015) Tetraacetythylenediamine (TAED): Waiver Request for an Immunotoxicity Study. Project Number: WARWICK/2015/03. Unpublished study prepared by Warwick International Group, Ltd. 15p.

MRID 50497901: Skoulis, N.; Johnson, S. (2018) Tetraacetythylenediamine (TAED): Waiver Request for Indoor Surface Residue Dissipation. Project Number: WARWICK/2018/01. Unpublished study prepared by Warwick International Group, Ltd. 7p.

As the data submitter and data owner, The Lubrizol Corporation requests full copies of the reviews, including all confidential and non-confidential, available to the registrant.

I authorize up to \$200 for the response.

Please contact Michael Foster if you have any questions.

Thank you,  
The Lubrizol Corporation

A handwritten signature in black ink that reads "Michael Foster". The signature is written in a cursive, flowing style.
